

MASTERS RACING CLUB CODE OF CONDUCT

The overriding aim of the Club is to provide its Members with (i) great racing at superb circuits in a friendly atmosphere, and (ii) excellent hospitality and great camaraderie on and off the track. Outright victory is not important in and of itself. Competitive racing within the rules throughout the field between cars of similar age and pace is what is desired.

All Members (and where applicable any invited guests) should accordingly:

- Comply with the Club Rules and its Objects;
- Adhere to the letter and spirit of any policies, procedures, rules and regulations;
- Behave with respect, courtesy and good manners on and off the track;
- Drive within their limits and those of their cars;
- Ensure that their cars are historically accurate and comply fully with the rules of the series in which they are racing;
- Ensure highest quality driving standards, not drive dangerously or recklessly and respect the rights of others and their cars;
- Not behave abusively or aggressively;
- Respect the decisions of event officials, and treat all competitors, marshals and spectators with respect;
- Not bring the Club into disrepute.

By agreeing to join the Club, Members agree to be bound by this Code of Conduct (and any amendments).

Any Member who in the opinion of the Committee (or nominated Sub-Committee) is in breach of the Code of Conduct may be suspended or have their membership withdrawn.
