Additional Costs To Consider

Customs Documents | ATA Carnets are not currently accepted in Mexico, all cars will need to be temporary exported.

Insurance | If you do not have insurance for international transport, we can arrange coverage. Please note, this does not cover the car at the track.

Road Transport to & from STL Facilities | Available upon request.

Extra Space | If you feel additional space is required, please discuss this with us.

Please note that due to the ongoing uncertainty of the situation in the Middle East, all current rates may be subject to war fuel surcharges. Rates do not include any import bond fees or ATA Carnet creation fees.
