See the below map showing route for vehicles OVER 3.4m.

PRIVATE CARS & TRAILERS

Private cars must park in Parking A (behind the Grandstand). Trailers and transporter tractor units not in use over the weekend must be relocated to the trailer parking area at the far end of Paddock 2 (by Turn 14) – see the yellow square trailer parking area below.

PIT GARAGES

Priority will be given for entries in Masters Racing Legends, Masters Endurance Legends & Masters GT Trophy in the first instance.

We will then look to accommodate our other grids. All series will be accommodated in Paddock 1. We will endeavour to accommodate as many teams as possible in the pit garages. **The Final Masters Pit Garage Plan** will be sent on Monday 16th June.

Please note that the trucks for teams based in the pit garages will be placed in the paddock, inside Turn 2, just across from the garages (see plan below). These will be parked on a first-come-first-served basis, so you may be offset from your garage allocation. We have also been allocated space in paddock 1. These slots are reserved for trucks & vans with awnings. We respectfully ask that only teams with an awning park in these slots.
